

Section Representatives' Meeting

Sunday, Jan 25, 2004 6:30 - 8:00 PM

The meeting was called to order. Delegates were reminded that grants are available from AAPT for various projects related to the teaching of physics. See <http://www.aapt.org/Grants/grants.cfm> for more details.

There was a presentation on the benefits of forming a non-profit organization for the section. Benefits include tax-deductibility of donations to the section. This may or may not be relevant to OAPT. Perhaps it could be looked into at a future meeting of the executive.

AAPT officers present at the meeting were recognized.

Elections took place for the following positions:

- * Section Secretary (1)
- * Membership/Benefits Committee (2, acclaimed)
- * National Nominating Committee (2)
- * Section Rep Nominating Committee (3)

A directory of AAPT positions and holders may be found at <http://www.aapt.org/Directory/>.

Delegates were reminded to send section news (pictures encouraged) when prompted by an email from AAPT.

Delegates were reminded to keep the listing of section officers current, including terms of office.

Delegates were instructed on the procedure for filling out and submitting the travel expense claim form.

The meeting was adjourned.
