

Embry-Riddle Aeronautical University Lunch and Presentation

Monday, Jan 10, 2005 11:45 - 12:45 AM

Embry-Riddle Aeronautical University invited AAPT delegates to a lunch and presentation on two new programs at the university: a B. S. in Engineering Physics, and an M. S. in Space Science. Assistantships are available for the latter. Full details can be found at <http://www.erau.edu/>.
