

ONTARIO ASSOCIATION OF
PHYSICS TEACHERS

Conference 2013

In partnership with The University of Ontario Institute of Technology

Physics Education Research in Action!

Thursday May 2 to Saturday May 4, 2013

Workshops presented will be focused on classroom-ready resources and strategies to teach Physics from Grades 9 to 12. Physics Education Research has been transforming physics pedagogy around the world. Come join us as we expand and deepen our understanding of Global Warming, Biophysics, Space Exploration and Particle Physics! Don't miss presentations from recent CAP award winners! Get ready for some ACTION!

Accommodations at a low rate of **\$19.99 per night** for the first 80 registrations! Thank you to The University of Toronto Electrical and Computer Engineering Department for their generous donation to make this possible!

REGISTRATION STARTS DECEMBER 1, 2012! Register Early!
