

EinsteinPlus Alumni Workshop

Beyond the Atom: Remodelling Particle Physics

Join us for a sneak preview of our latest Perimeter Exploration!!

Beyond the Atom is a classroom resource that exposes your students to the excitement of high energy particle physics. The 30-minute video and accompanying activities will engage and challenge them as they explore nature on the most fundamental level.

Spend the day discovering particle physics:

Explore the student activities

Discuss the concepts in the video

Ask a particle physicist about the Higgs

Meet up with like-minded teachers

Eat at the Black Hole Bistro one more time!

March 13, 2012

8:30am – 3:30pm

(lunch will be provided)

31 Caroline Street North, Waterloo, ON

There is *no cost* to attend this event but space is limited so registration is required.
