

SCIENCE ON STAGE
CANADA
MARCH 23 -26, 2012
AT APPLEBY COLLEGE

Science on Stage Canada (SoSC) is dedicated to enhancing science and technology learning in education. During the Science Teachers Festival held every year, educators from across the country are invited to share their innovative teaching ideas.

THERE ARE THREE MAIN COMPONENTS OF THE FESTIVAL:

1. The Science Fair: Showcasing Exemplary Teaching Practices
2. Pedagogical Discussions
3. Professional Development

To attend and/or submit a presentation proposal, please complete the online application by February 15, 2012: www.scienceonstage.ca/OnlineForm.html
